The registration of sales of cattle at Jatras appears to have been thought of with a view to regulate the export of cattle to places outside the State and the cost of the staff required for this purpose has to be met by Government under the head Expenditure connected with the war. He has also sent a statement showing the particulars of the special staff entertained for the 3 fairs held in the Bangalore district (Viz; (i) Ghati Subrahmanya (ii) Sivaganga and (iii) Huggenahally) early this year which has entailed a total expenditure of Rs. 696-4-0. Sir,

Grant of allowances to officials attending to Registration of sales of cattle in the jatra.

With reference to your letter No.F/432/45-46 dated 10th December 1946, enquiring whether it is not possible to get the registration of sales of cattle in the jatras by granting some allowances to officials I have the honour to state that the Superintendent, Veterinary Services in Mysore has in his letter addressed to the Revenue Commissioner, (copy enclosed for ready reference) suggested elaborate arrangements and procedure in this behalf and if this is adhered to it would be impossible for part time clerks to attend to this work. Besides there will be only two officials, xx a Revenue Inspector and a Mazrai Clerk of the Taluk Office who will be very busy in connection with the jatras and cattle fair and they cannot be burdened further with this additional work by giving an allowance. I therefore consider that the staff recommended in this office letter of even number dated 18-11-46 is necessary for attending to the registration of sales of cattle as per suggestions made by the Superintendent and to request you to kindly move Government in the matter.

I solicit early orders in the matter since the cattle fair at Ghati Subramanya is fast approaching that is from 27-12-46.

2. The Deputy Commissioner who was requested to intimate whether it is not possible to get this work done by granting some allowance to the officials who will be deputed for duty during the Jatra instead of appointing full time officials has intimated in his letter No.L.Dis1F3.31-29/46-47 dated 19-12-1946 (copy enclosed) that the Superintendent Veterinary and Animal Husbandry Services has suggested elaborate arrangements and procedure for the registration of sales of cattle and that it is impossible for part-time clerks to attend to this work. The Deputy Commissioner

Commissioner has therefore requested orders for the appointment of the above staff. He has further stated that the Jatra commences from 27-12-1946.

3. In the circumstances I have in anticipation of sanction of Government permitted the Deputy Commissioner, Bangalore to appoint the above staff for a period of one month for the cattle fair at Ghati Subrahmanyam to be held in Bangalore District from 27-12-46. Grant of allowances to officials attending to Registration of sales of cattle in the jatra.

With reference to your letter No.E. 432/45-46 dated 10th Decr. 1946 enquiring whether it is not possible to get the registration of sales of cattle in the jatras by granting some allowances to officials I have the honour to state that the Superintendent, Veterinary Services in Mysore has in his letter addressed to the Revenue Commissioner, (copy enclosed for ready reference) suggested elaborate arrangements and procedure in this behalf and if this is adhered to it would be impossible for part time clerks to attend to this work. Besides there will only be two officials, a Revenue Inspector and a Muzrai Clerk of the Taluk Office who will be very busy in connection with the jatras and cattle fair and they cannot be burdened further with this additional work by giving an allowance. I therefore consider that the staff recommended in this office letter of even number dated 18-11-1946 is necessary for attending to the registration of sales of cattle as per suggestions made by the Superintendent and to request you to kindly move Government in the matter.

p.t.o.

I solicit early orders in the matter since the cattle fair at Ghati Subramanya is fast approaching that is from 27-12-1946.

Re: Holding of Cattle Fairs.

With reference to your letter No. F.432/45-46, dated 15th Jany 1947 forwarding a copy of letter No. S.D.5513/A-183-46-2, dated 7th January 1947, from the Secretary to Government, Food Department, regarding appointment of temporary staff required for the registration of sales of cattle in the Jatras, I have the honour to state that the Jatra at Hemagiri (the jatra selected and communicated in your office letter No.432/45-46 dated 1st October 1946,) commences from the 21st. instant and continues for a fortnight. The sale of cattle at the place usually takes place after the Rathotsavam on the 29th instant. The establishment required for the registration work as proposed in your letter No. F.432/45-46 dated 26th December 1946, to the Government, is quite necessary as already reported in this office letter of even No. dated 7-1-'47 which may kindly be recommended for sanction.

P.T.O.

As regards the meeting of the expenditure on account of the proposed staff, I suggest that the cost required for the purpose may be met out of the sale proceeds of the jatra this year. As regards the second point regarding the provision made for levying a surcharge on the contractors, I wish to state that no such provision has been made separately. As the jatra sale has already been held and no condition of levying a surcharge on the contract amount was inserted in the sale notification, it will not be possible to charge this against the contractors this year.

In the meanwhile, I have this day issued orders to the Amildar, Krishnarajpet, to carry on the work of the registration of the sales of cattle, as per suggestions contemplated in the letter No. A7.26/45-46, dated 9th November 1946, from the Superintendent, Veterinary Department, addressed to the Revenue Commissioner in Mysore, with the help of the Revenue agency till the proposed staff is sanctioned.

I request that early sanction for the entertainment of the staff proposed may be obtained and communicated.

SIR,

Subject: Staff entertained for the registration of sales of cattle in Cattle Fairs.

With reference to correspondence ending with your letter No. SD.7831/A.183-46-7 dated 19th March 1947 on the above subject, I have the honour to state that on enquiry as to the actual staff entertained for the registration of sales of cattle at the fairs, the Deputy Commissioner of Kolar and Mandya Districts have intimated that no special staff was entertained. The Deputy Commissioner, Tumkur District intimated that a special staff was entertained for a period of seven days for the registration of sales of cattle at the fairs of Siddaganga and Seebi and that a sum of Rs.60-13-0 was paid by the concerned (private institutions) towards the charges for the special staff entertained.

The Deputy Commissioner, Bangalore has sent the enclosed statement showing particulars of staff entertained for the registration of sales of cattle at fairs of Ghati Subramanya. The total cost for the staff entertained works up to Rs.696/4/- for all the three jatras. The Deputy Commissioner states that he could not include the provision of levying surcharge in the sale notification of the contract for the fair, as permission sanctioning the required staff was not received in time. He further states that the management of the concerned Muzrai institutions do not agree to meet the expenditure for the special staff enter-

entertained. The Superintendent, Veterinary & Animal Husbandry Services who was requested to meet the ~~expenditure~~ expenditure of Rs.696/4/- from the funds of Veterinary Department has replied in the negative on the ground that the responsibility of Veterinary Department rests mainly with the preservation of health and safeguarding against epidemics. The Muzrai Commissioner who was addressed in the matter has replied that the expenditure ~~requisite~~ referred to has to be met out of the funds of Veterinary Department. It cannot be also a legitimate charge on the funds of the Food Department.

In the circumstances, I request you kindly to obtain sanction of Government to pay the amount of Rs.696-4-0 to the special staff entertained for the registration of cattle in Bangalore District from the head "Expenditure connected with the War."

In this connection, I state that the Cattle fairs in the State are organised and conducted by the Revenue Department and local bodies and I therefore request that the Revenue Department may kindly be entrusted with the work of regulating the sale of Cattle at the Cattle Fairs in future in consultation with the Veterinary Department and this Department allowed only to regulate the exports of these animals.
